

The areas where I need to watch my speech more carefully are;

Swearing		Talking about people behind their backs	
Drawing attention to myself all the time		Having a bad temper	
Blaspheming (using God's name the wrong way)		Not listening to others	
Butting in all the time		Not praising or encouraging others	
Gossiping		Making fun of others	
Telling dirty jokes		Not showing respect	
Being rude		Being overly sarcastic	
Putting people down		Not telling others about Jesus	
Being impatient		Being critical of others	
Lying		Complaining too much
